

Chicagoland Utility Rebate Updates

We have updated our Chicagoland Utility Rebates promotions page. The changes are listed below:

Beginning September 1st, 2016, ComEd is changing the value of their smart thermostat rebate.

Previously, the rebate provided \$125.00. Beginning Thursday, the rebate is for \$100.00 with a maximum value of 1/2 the purchase price of the eligible smart thermostat.

We have also updated the Napoleon AHRI listing with the most recent values.

All changes can be found in the literature on our Chicagoland Utility Rebates promotion page
