

Hydronic Demo Days + ecobee3 Instant Rebate

Mark your calendars! Next week, the NTI Demo Trailer is doing a tour of Able Distributors.

Tuesday, November 1: Able Distributors | Chicago

Wednesday, November 2: Able Distributors | Evanston

Thursday, November 3: Able Distributors | McHenry

Friday, November 4: Able Distributors | Southside

All events run from **10:00am through 2:00pm**

During these events, Able Distributors contractors can:

- Get a hands-on demo of NTI's entire product line in the demo trailer
 - Learn how leading controls work with NTI boilers
- Enjoy counter days with B&G, tekmar, and Watts Radiant
 - Get samples, brochures, and displays!
- See new accessory additions to Able's hydronic catalog

Don't forget that Able Distributors includes a free B&G ecocirc vario circulator pump with every NTI boiler purchase.

NTI Demo Trailer Days Flyer

That's not the only exciting news to come out of Able this week!

Starting Monday, October 24th, 2016 and running until Wednesday, November 30th, all ecobee3 smart thermostats purchased at Able Distributors will include a \$20.00 instant rebate.

This means that instead of \$219.00, you'll only be paying \$199.00!

It gets better, though!

If you purchase a 10-lot package* of ecobee3 smart thermostats, we'll knock the price down another \$10 per thermostat so that you're only paying \$189.00 per thermostat!

Don't miss out on this amazing deal, it is only available while supplies last!

*10-lot packages will be shipped directly from ecobee
