

Napoleon Wants to Give You a Free Grill!

It's no secret that furnaces aren't Napoleon's first foray into combustion appliances. Before they were making the best furnace you've ever seen, Napoleon was building premium grills and now you have the opportunity to get a top-of-the-line model for free just by installing Napoleon products over the next year.

The Ultimate Furnace PROmotion

Beginning October 1st, 2017, every dollar that you spend on Napoleon products is counted toward your prize. The promotion runs for one full year and ends September 30th, 2018.

Tier One

When you reach **\$10,000**, you'll be eligible to receive a Napoleon TravelQ 285 Portable Gas Grill with Scissor Cart .

The TravelQ 285 is a robust portable grill, perfect for picnics, beach days, and grilling out at home. This model includes a foldable scissor cart, making it easy to move and store. Don't let the smaller package fool you, this 12,000 BTU grill still has plenty of power and plenty of special features. It includes a Jetfire ignition module, ACCU-PROBE temperature gauge, and dual stainless steel burners.

Tier Two

Upon reaching **\$50,000**, you'll be eligible to receive a Napoleon Prestige 500 Gas Grill.

The Prestige Series are among the best gas grills on the market and the Prestige 500 is no exception. It features four burners, 48,000 BTU of grilling power, and 500 square inches of grilling space, enough to entertain and feed gatherings of all sizes. The PRestige 500 also includes a 260 square inch warming rack and a folding side shelf to ensure you have enough space for everything.

Additionally, the grill's cooking system is all stainless steel and includes a heat diffuser and Jetfire ignition.

Tier Three

And finally, if you reach **\$100,000** in Napoleon purchases during the promotional period, you'll qualify to receive Napoleon's flagship gas grill: the Prestige Pro 665.

The Prestige PRO 665 is the cream of the crop, the grill against which all others are measured. It has eight burners, 99,000 BTU of power, and more than a thousand square inches of cooking space. While the Prestige PRO is primarily a gas grill, it has a few tricks up

While the Prestige PRO is primarily a gas grill, it has a few tricks up its sleeve. First off, there are two infrared burners, one standard infrared burner in the rear and then a SIZZLE ZONE side burner. It also has dual-level sear plates and a wood chip smoker tray.

Finally, the Prestige PRO 665 includes an interior light, just like the Napoleon Ultimate 9700, and SafetyGlow NIGHT LIGHT control knobs to make it easy to see what you're doing.

Whether you're a seasoned griller or a relative novice, Napoleon grills are easy to use and make the perfect addition to any home. Don't miss out on an opportunity to add one to your backyard for free!
