

# Summer Scratch and Dent HVAC Equipment Sale!

Able Distributors is proud to announce the return of one of our most popular promotions: The Scratch and Dent Sale!

To kick things off this summer, we have a lineup of lightly damaged equipment from Maytag, Gibson, and Aspen.

All of the equipment for the Scratch and Dent Sale is located at the Chicago branch, but it can be transferred to any Able Distributors branch easily. If you're local to the Chicago branch and you would like to see a piece, just ask a warehouse associate or salesperson to direct you.

In addition to the standard deep price cuts for scratch and dent equipment, we are implementing an additional 5% discount for cash purchases!

Below is a pricelist containing model numbers and technical specifications for everything in the sale. There is also a small catalog featuring writeups on the advantages and benefits of the equipment.

Don't miss out on this opportunity to secure some amazing deals for your customers. What you see in the documents below is all we have, once an item is sold, it's gone.
