

The Bosch Road Show is Coming to Able!

The banner features the Bosch logo on the left. To its right are three circular callouts: a red one with 'UP TO 18 SEER', a green one with 'AS LOW AS 56 dBA Sound', and a purple one with 'Indoor Air Handler'. In the center, the text 'Invented For Life' is displayed in red and green, with a smaller line below it: 'Quality engineering, quiet performance and an unbeatable warranty from Bosch delivers exceptional home comfort.' Below this, it says 'Training Courses/Live Demos June 20th + June 21st'. On the right, there's a green circle with 'Outdoor Condensing Section' and a large red circle with '10 YEAR WARRANTY'. The Bosch Inverter-Driven Split Heat Pump unit is shown on the far right. The Able Distributors logo is in the top right corner.

Able Distributors Proudly Presents:

The Bosch Inverter-Driven Split Heat Pump Road Show!

This roadshow is going to have everything:

- Working displays with the summer's coolest new piece of equipment: **Bosch's Inverter-Driven Split Heat Pump**
- A live, hands-on demo of the equipment lead by Bosch
- A Q+A session with Bosch engineers

And, best of all, it's completely **free**!

We're so excited about this product and this class that we're offering **FOUR** sessions to ensure that as many people as possible can learn why these heat pumps are flying off of shelves and impressing both contractors and homeowners alike.

There are only 12 spots per session and they will fill up fast, so be sure to RSVP early. Details on each session and instructions for registering are just below.

Tuesday, June 20th | Able Distributors Chicago

2501 N. Central Avenue, Chicago, IL 60639

Session One | 9am-11am

Session Two | 1pm-3pm

Wednesday, June 21st | Able Distributors Northshore

2423 Main Street, Evanston, IL 60202

Session One | 9am-11am

Session Two | 1pm-3pm

The working displays will be on the floor at each location from 9am through 5pm. Breakfast will be available before each morning session and lunch will be available between 11:30am and 12:30pm each day. Stop in early or stay late to talk shop with Bosch and grab a bite to eat!
