What has three furnaces, four wheels, and is ready to go to work for your company?

The Napoleon Mobile!

That's right we have a Sprinter van loaded with three live-fire Napoleon furnaces and we want to bring it to YOUR business (or to your customer's home or wherever you think it can help you!)

Get up close and personal with Napoleon's 9500, 9600, and Ultimate 9700 Series furnaces-anywhere, anytime.

Do you want to host a hand-on Napoleon training event featuring working models?

Give us a call and we can do it at your office!

Do you want to demonstrate just how quiet a Napoleon furnace really is to a homeowner?

We'll bring the Napoleon Mobile right to their driveway!

Are you heading to a home show and in need of something to help you stand apart from the crowd?

The Napoleon Mobile should do the trick!

Want a little razzle-dazzle to seal the deal with a builder that you're pitching?

Bring some live fire models right to their doorstep and show them what Napoleon is all about.

Napoleon furnaces are whisper quiet and sexy as hell. Given the opportunity, they sell themselves. So, give them the opportunity!

The possibilities are endless and all you need to do is contact your friendly neighborhood Able

salesperson to set up a time.

Make sure that you take full advantage of this resource as part of your Napoleon experience. Give us a call and book the Napoleon Mobile today!
