

# Fujitsu Mini-Split Training is Coming to Able in April!

are partnering for Mini-Split Training!

Both **free** sessions of Fujitsu Mini-Split Training are scheduled for Wednesday, April 19th at the Chicago branch of Able Distributors.

## The Classes

Session One will cover installation, service, and troubleshooting for Fujitsu mini-splits. It will conclude with a brief quiz and lunch break before session two begins.

This morning training session is worth three training points for contractors with a Fujitsu Toolbox account. To earn your training points, you must register through Fujitsu's online portal using the instructions below.

1. Go to <http://www.fujitsugeneral.com/>
2. Click on Contractor Tool Box Log In.
3. Log in or register for the tool box.
4. Click on Training Signup.
5. Scroll Down to Fujitsu Regional Training.
6. Locate the Able Distributors Date: April 19.
7. Click Register Now.

8. That's it. You're in.

Session Two will cover Fujitsu's multi-zone systems as well as the new additions to their catalog.
