

Fujitsu's Fall HIGH 5 Promotion Puts Money Back in Your Pocket!

Fujitsu's Fall HIGH 5

Starting October 1st, Fujitsu's HIGH 5 promotion makes its triumphant return. Like the first HIGH 5 promo this year, all you have to do is sell and install Fujitsu systems while the promotion is running to qualify for cash back. Contractors will receive between \$100 and \$200 per qualifying system installed while the HIGH 5 promo is running.

Details about which systems qualify and what you have to do to make sure you get your cash back are below!

- Contractors must register for the promotion through Fujitsu's online Toolbox.
 - Enrollment is open from 09.01.16 until 11.15.16.
- Systems must be purchased and installed between 10.01.16 and 12.31.16.
 - An Able Distributors invoice, as well as a copy of your invoice to your client, is required to register each system.
 - 01.02.17 is the **LAST DAY** to register qualifying systems.
