Cash Rebate Program

If free equipment doesn't appeal to you, hopefully free cash will. That's right, contractors also have the option of receiving a cash rebate of \$100 for every Peerless boiler, Peerless Partner indirect-fired water heater, and Pavilion IAQ air handler that they purchase. If you only purchase one Peerless unit during the promotion, and we recommend that you purchase much more than that, you still qualify for a \$100 cash rebate.

To receive your rebates or certificates, all you need to do is fill out the form below and submit it along with the corresponding invoices by November 30th, 2016.
