

Prado's Heating & Cooling – Napoleon 9700 Furnace

#underthehood

Jose came in to the South Branch and saw Luis Ortiz showing the Napoleon furnaces we have on display. Jose overheard the conversation and jumped into the conversation expressing his enthusiasm about wanting to install the 9700 Napoleon furnace. He expressed how “chingon” the furnace looks and that he has never seen anything like it. We talked more, he told us about himself and how he had just bought a house so we convinced him on trying out the 9700 in his new house. This is the result:
