

Upcoming Rinnai Sensei Webinars

When it comes to residential water heaters, we love the Rinnai SENSEI. If you're interested in the SENSEI but you've been too busy to make it to a training session, then we have the perfect opportunity for you!

On Thursday, December 13th, Rinnai is hosting a pair of SENSEI training webinars. There will be a class from 9am until 10am (CST) and a second class from 2pm until 3pm (CST).

Best of all, these classes are completely free and they can be completed from the comfort of your home or office. If you're interested, click through to the flyer below, it has links to RSVP!
