## Viessmann Vitomobile

## The Viessmann Vitomobile is coming to Able Distributors

Viessmann proudly introduces the new Vitomobile. The Vitomobile is Viessmann's new live-fire mobile training lab with new and current Viessmann products and the industry's leading training. The Vitomobile is equipped with gas fired condensing boilers, Vitodens 100 boiler and combi unit, Vitodens 200 multi-boiler system with the Vitotronic 200 control and Vitodens 222-F.

The new Vitomobile delivers the high level, hands-on training offered at the Viessmann US Academy in a handy mobile training lab with live-fire boilers. Vitomobile training is FREE and provides best-in-class instruction on Viessmann's leading heating products.

You are invited to attend the next training session at the new Viessmann Vitomobile at:
